Hi,

He is not the first to ask about Wolverine. It is on Darius' list to add so I'll check in with him to see how that's coming along.

Thanks,
Saray

Hey Saray,

These look to be new codes too. I'm thinking Jason may not be the first to ask for Wolverine. Is this in the works?

Hi Jason,

There are several work codes for Wolverine. Do you know which one you need?
